What a Wonderful World

Lyrics and Music by
Bob Thiele and George David Weiss

It is a longstanding tradition that alumni of the SSHS Vocal Music program are invited to join us on stage to sing What a Wonderful World. If you were a part of the SSHS Vocal Music program at any point, please feel free to join us on stage.

After the Saturday evening show we will be presenting a slideshow (approximately 15 minutes long) as a tribute to the students that are graduating from the program. You are welcome to stay during the tribute to honor their participation. If you would like to leave prior to the slideshow, please leave quietly after the singing of What a Wonderful World.
