

Music Video Assignment

Goal: To create a music video of a song you love

Staff: Group Max 6

Director

Music Director

Sound Designer

Producer(s)

Camera Operator(s)

Video Editor(s)

(Video Editors get an automatic "A" as long as the video is turned in)

Assignment: Create a full length music video. Research different music videos and decide which style you'd like to use. It could be a storyline, a single shot video, a traveling through life while you sing video. You have a lot of freedom in how you make the video. Just make sure that the video is creative.

Subject: The music video must feature everyone in your group. Everyone in your group must sing at some point in your music video. Each person in the group must do something beyond performing. All singing must come from people participating in the video. You may use prerecorded karaoke, or self-recorded music. Lip syncing is only allowed if you made the recording with your own voice(s). Everyone must have a job beyond just performing.

What we're looking for:

Videos should:

- Be creative
- Have great sound
- Be well lit
- Filmed with design and good composition

Grade: Turning in the video is worth 75 points. The quality and workmanship will be worth another 25 points.

How to turn it in: You may turn it in through Youtube.com only. IF there is a major issue please talk to me. Please save it as a private video but give me permission to view it.
